Putnam County Board of REALTORS®

Managing Broker's —

Did you know that you can experience
a seamless journey with [Arcadia](#) to cre-
ate your own buyer and seller guides
specifically for your agents to supply
directly to clients.

It's just one more member benefit
brought to you by NAR.

The latest membership changes:

Cassie Inman has transferred
from MIBOR to PCBR.
Cassie is with Capstone
Realty Group.

[Window into the Law - NAR's latest video: Help Avoid Losses to Wire Fraud](#)

Real estate fraud is one of the top types of cybercrime, and scams continue to evolve. Members can suffer legal, financial and reputational damage by falling victim to wire fraud. The latest [Window to the Law video](#) provides best practices that will help protect you and your clients.

[New Transfer Tax Study](#)

Find out about the negative economic consequences of real estate transfer taxes for both residential and nonresidential real estate from a June 2022 study by Sage Policy Group partially funded by NAR. It provides a detailed discussion of the negative consequences of this regressive tax for incomes, transactions, investments, valuations and homeownership.
